

# PRINCE WILLIAM COUNTY

## **Important Guidance - Household Hazardous Waste and Electronics Recycling**

***Please read before coming to the landfill to dispose of items.***

The Household Hazardous Waste and Electronics Recycling program is open at the Prince William County **Landfill location only\*** on Wednesdays and Saturdays from 10 a.m. to 5 pm. The program is for Prince William County residents only. This program is not available to businesses or to Manassas and Manassas Park residents.

### **HHW/Electronics program usage rules:**

The following guidance is for the Landfill Household Hazardous Waste and Electronics program :

- All individuals should remain in their vehicles.
- This program is for Prince William residents only. IDs will be checked before entry.
- A ticket will be required for the service. Stop at the checkpoint/traffic control to get a ticket.
- Disposal is limited to three (3) electronic items; 15 gallons of liquid or 40 pounds of solid household hazardous waste items.
- Traffic flow to and around the facility may be modified due to volume, so follow staff directions.
- Vehicles will be processed until 5 p.m. (Cars in line after that time will have to come back.)

Visit [www.pwcva.gov/disposalguide](http://www.pwcva.gov/disposalguide) to confirm the type of items accepted, the quantity limits, and the preparation of items that may be brought to this program.

***\*The Household Hazardous Waste and Electronics Recycling Program is unavailable at the Balls Ford Road Compost Facility.***
